## Who We Are

The Aiding Marines Family Foundation was started by a retired Marine and his family. Seeing Marines in need in his community, he decided to create this foundation to serve those who have bravely served us.

## Our Purpose

We provide small grants to US Marines who need immediate financial assistance to sustain them through unforeseen difficulties, such as loss due to natural disasters, medical emergencies, and other unexpected events.

## How to Get Help

To be considered for a grant, please email us or send a letter using the form inside this brochure. In every case we request a written recommendation by a Unit C.O., Chaplain, or recognized non-military social organization.
